The Royal Castle Hotel  
*...at the heart of Dartmouth*

## *Your perfect day*

Each of the 25 bedrooms has individual charm and character. The stylish décor combines traditional features with modern comforts. Many of the rooms have river views, some have four-poster beds and spa baths. All are absolutely individual. Preferential rates will be offered to wedding parties, subject to availability. Our unique location at the heart of Dartmouth

provides you with the superb opportunity to take advantage of this and combine the occasion at the Royal Castle Hotel with a boat trip on the beautiful river Dart. This can be arranged in various ways, perhaps for a preliminary drinks reception or maybe a moonlit evening party to conclude the day. We will make all the necessary arrangements for you as part of our service.

## *A magical experience*

The Royal Castle Hotel is one of Dartmouth's most famous landmark buildings, dating from 1639, and has a long tradition of hosting celebrations of all kinds over the centuries. We specialise in bespoke weddings for people who love the idea of 'tying the knot' in the very heart of Dartmouth.

Three elegant rooms are available for civil ceremonies and wedding receptions. The Adam and Apollo rooms both have spectacular views over the river Dart towards Kingswear and beyond. The historic library has an atmosphere that makes it ideal for more intimate ceremonies.
